THINGS I WANTED TO SAY - WELL, YOU'VE
HAD A BIG CHANGE OF MIND SINCE THEN
AND NOW I HAVE TO WATCH IT - HERE'S

POSSIBLE NEXT YEAR AND IN THE GREAT,
BIG, FUTURE - STILL WISH YOU CHANGE YOUR

WE CAN'T HAVE THEM AGAIN - AT LEAST
YOU WON'T HAVE TO PUT UP WITH ME
NEXT YEAR - ONE GOOD YEAR, ONE BAD,

Dedication

JAMES L. LANDERS

To James L. Landers, who has taught English and Dramatics at Highland for a number of years, we dedicate this 1955 Tycoma. We hope in this way to express our appreciation for his untiring efforts to make us, his students, men and women able to face life squarely, to think through the problems of life clearly, and above all to have the courage of our own convictions. Good luck and thanks to you Mr. Landers!

Foreword

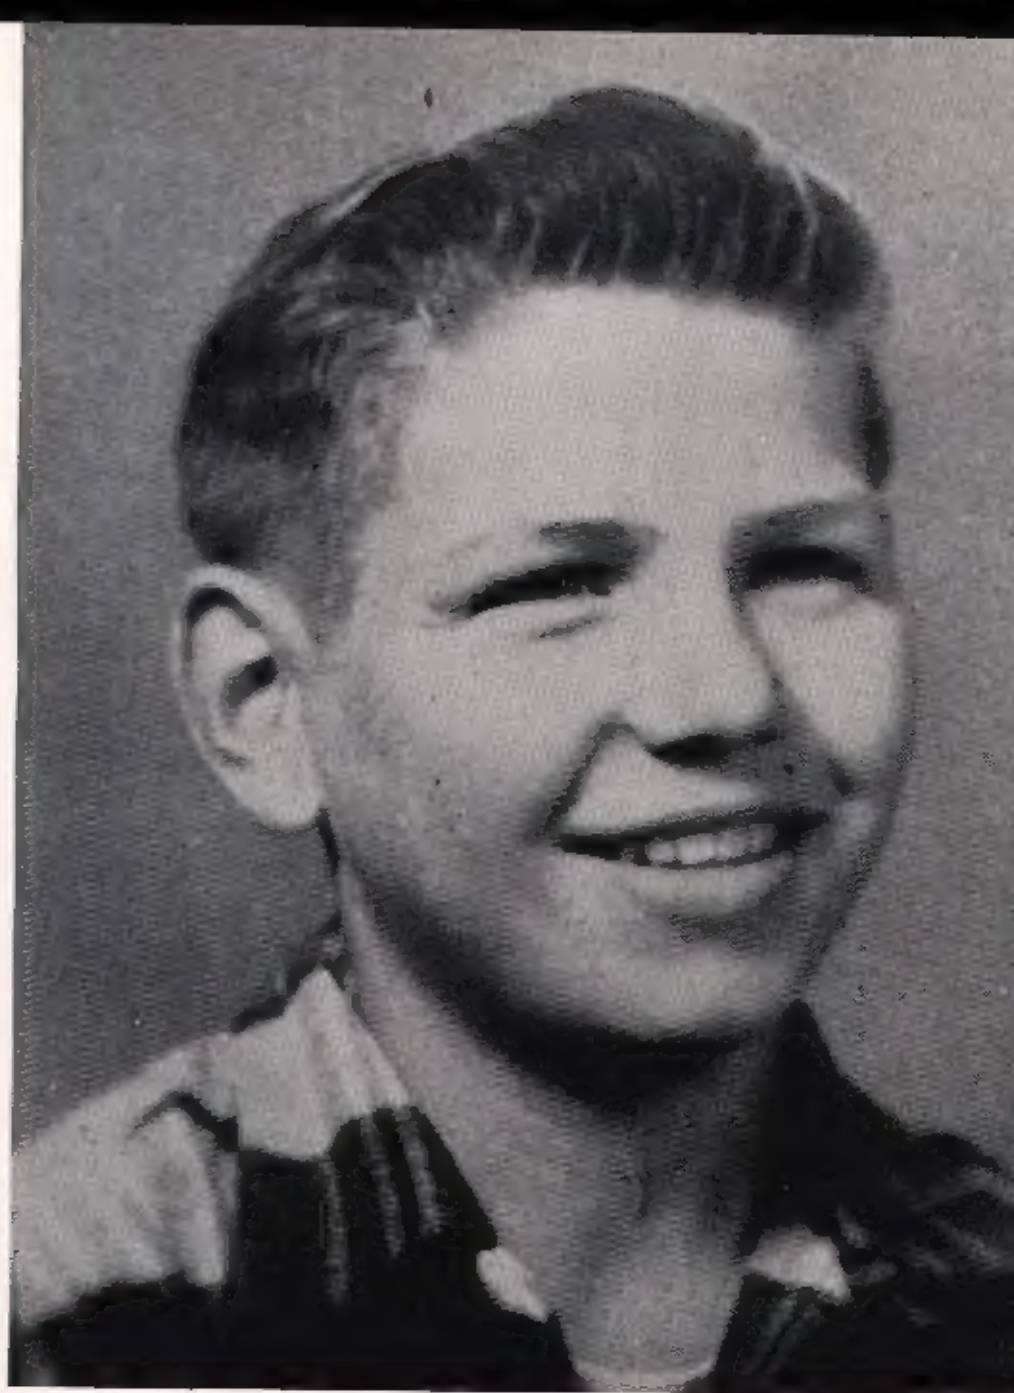

...

Looking o'er the hills of Highland
With their haze of blue
Stands our dear old Alma Mater—
Highland High so true.
'Mid the orchards and the meadows
Of the valley green
Of the sky so clear and friendly
With the sky so clear and friendly
Standing in between.
Friendships true we've made at Highland
As the years rolled past
A warm welcome we have found there—
Comrades who will last.
Here's to Highland, our dear Highland—
School we love so well
Hail to thee—our Alma Mater—
Highland's praise we tell.

Principal's Message

YOUR FUTURE . . . do you have any doubts or apprehensions about it? Are you being honest with yourself in doing everything at present that will make the tribulations of the next twenty, or perhaps the next forty years of your life, pleasantly bearable? As a future participating citizen of these United States, are you preparing yourself to aid in the progress of the outstanding nation of the world. It is still within the sphere of your accomplishments — sincerity of purpose, desire of worthy achievement, faith in friendships, and perhaps one's self. These are qualities that each and everyone of us must keep before us as objectives on the ROAD TO SUCCESS.

Senior Class

Senior Class

We, the class of '55 have been looking forward to being seniors and graduation. Now that the time has come we feel we might have studied a little more or maybe done just a little more than we did.

Going back through the years, we recall the outstanding events in our high school days. As Freshmen we were initiated by the Sophomores. Then came football and basketball, with our class represented in both by Larry Mortimer and Tom Hammermiester. There was the thrill of our first Christmas Ball, "Winter Whirl," followed in the spring by the Spring Formal, "Sweethearts in the Park."

By the time we were Sophomores we felt we had a good start at Highland. We initiated the Freshmen as we had been initiated the year before, but worse. This year was filled with dances, football, basketball, track meets, and baseball games, sponsoring assemblies, dances and roller skating parties.

Then we took another step up the ladder. We were Juniors which made us upperclassmen. There were many factors that made this a big year. Ordering our class rings made us feel like a united class. Next we tried our hand at dramatics with Shirley Wilson starring in the Junior Class Play, "Stag-Line."

The big celebrity of our class was Renee Bedard, winning the honor of Miss Tycoma.

We were hosts at the Junior-Senior Banquet. This year had passed too quickly.

Before we realized it we were Seniors. This, our last year of high school was filled with exciting events.

There was the Senior Play "What A Life" starring Bill Schwarzwalter.

After football season, and many exciting games, was the football banquet with Millicent Pue, Queen and Georgeann Gray, Princess.

Our last Christmas Ball, "Kandy Kane Kapers," was an outstanding event. After the Ball the days were filled with basketball games, dances, roller skating parties, and various other activities. Then our last formal during high school, the Spring formal which a majority of the seniors attended.

Finally our senior trip and graduation.

With such wonderful high school years behind us we feel ready to take on any new adventure which we might encounter whether in college or in everyday life.

Junior Class

Launching with enthusiasm into the activities of the past year, we the Junior Class, have had fun while getting things done. Among those activities were dances, cake sales, selling at games and the Junior Play.

A very important event was winning the Miss Tycoma Contest, with Donna Melton as our candidate.

Sponsoring the Junior-Senior Banquet was also a gala occasion of our busy year.

We look forward to our forthcoming responsibilities as Seniors with great anticipation.

Sophomore Class

At the beginning of the year the Sophomore Class held, as usual, the Freshman Initiation. The initiation got under way in the morning with the usual customs being carried out. In the evening the Sophomores gave a dance honoring the Freshmen and to help get them better acquainted with the upperclassmen.

We selected Patty Weiler for our Miss Tycoma candidate. To support her and raise money for the Tycoma, we held cake sales.

We had various ways of raising money to support our class. They were: giving a skating party and a dance along with cake sales.

Our Sophomore Class Advisors were Miss Meahon, Mr. Driver and Mr. Kirkendall, leading us through a very successful year. We want to thank them very much for their help and co-operation.

Freshman Class

Entering Highland was a big step for us green little Freshmen. We were very frightened and felt as if we were just being pushed around in the crowded halls until initiation. After initiation we knew that we would start the daily grind as Freshmen and looking forward to being Sophomores.

On initiation day the girls wore overalls backwards, boots, a tie, and they also washed their hair the night before and came to school without combing it. The girls were not allowed to wear any makeup. The boys wore blouses, skirts above their knees, shoes on the wrong feet, nylon hose, and carried a doll. The dance that night turned out to be a very successful dance. Carolyn Beffa and Ralph Velasquez were chosen the funniest dressed Freshmen.

The time came when we were to choose a candidate for Miss Tycoma. We chose Carol Galloway to represent us and she did a good job by coming in third. To earn money for Miss Tycoma we went on ticket rallies, had cake sales, and a sweater raffle.

We want to express our appreciation to Miss Culver, Miss Thomas, Mr. Sperline, and Mr. Millard, our class advisors, for helping us and sticking by us through one of our best years. We've had lots of fun and we will always remember our troubles and our joyous times during our Freshman year.

Homecoming

As seen at the dance.

HOMECOMING

The first annual Homecoming Dance was held in the gaily decorated cafeteria after the Highland-Selah game, which tied 7-7. Bill Kinnear's band was hired and a quartet from Yakima High School entertained.

The dance was sponsored by the Glee Club under the guidance of Mr. Harlow Brown, director. Melba Rademacher, Glee Club president, was general chairman.

Girls' Club

The Lassies of Highland Girls' League carry on many activities each year. Our main purpose is service, both in and outside of school.

We started our year by choosing big and little sisters. We followed this with a welcoming party for the new girls.

The Girls' Club sponsored a Christmas program

for the entire school. The annual Christmas Ball, Kandy Kane Kapers, which is perhaps the most important social event of the year, is also sponsored by Girls' League. The Mothers' Tea in the spring was an outstanding success of Girls' Club.

Girls' League advisors are Mrs. Carey and Mrs. Rice.

Senior Journalism

The Senior Journalism Class this year was the largest in the history of Highland High School. Because of its size several basic changes were made for the betterment of the class and the paper which it produces. As usual, the class was split into two groups. Each group put out the paper alternately, every other week. The major changes made were the addition of two pages and two proofreaders, and the editor staying constantly with the group publishing the paper. All through the semester, supplies, including lettering guides, styli and a new mimeoscope were purchased with the money obtained from the selling of ads.

Hard at work, Helen?

Highlights of the year were obtaining a new electric A. B. Dick mimeograph machine and a visit to the Yakima Herald & Republic Publishing Company.

The presses are rolling.

Advisor, Mr. Thomas.

JUNIOR JOURNALISM

Work, work, work was the command given by Mr. Thomas, the Junior Journalism advisor. That's right too! Besides putting out a paper, we a class of 27, did lots of extra work such as: menus, football and basketball programs, P.T.A. notices and work for clubs and teachers.

Under the supervision of our editor, Marian Fredlund and Mr. Thomas the paper came out every week. Half the class put the paper out one week and the other half the next week.

There were lots of busy people in our class including: Darlene Weaver busy at the mimeoscope, Malcom Commet working industriously at the

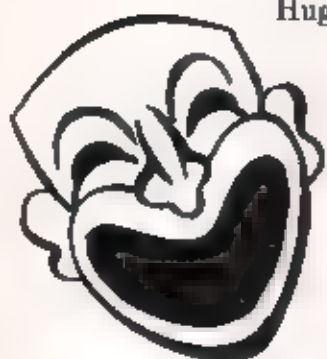

mimeograph machine, and Janet Ferguson and Kay Henderson stamping and addressing exchange papers for other schools, Edna Bonnett and Carolyn Lane trying to find a personality for the feature page, Mary Lou DeRiese and Nadine Culver trying to get ads for the paper and Sylvia Benner making her fingers fly on the typewriter.

We all had a lot of fun in this class. Although at the beginning of the year we all felt depressed at the thought of taking our turn at putting out the paper, but now that we have completed our semester of journalism we feel capable of doing a better job next year.

Back row, left to right: Marvin Bisconer, Larry Mortimer, Roland Roberts, Sharon Hamilton, Daisy Post, Phyllis Lust, Karen Wickersham, Emma Lou Perdue, Wayne Wadekamper, Bill Swartzwalter, James Tolbert. Senior Dramatics

With such a large class this year it was possible to give a number of one act plays. These plays were: "Ringing in the Groom," "Quiet Please," and "Boy Meets Family." With the experience of these plays behind them, the class, under the supervision of Mr. Landers, started work on "What a Life," the Senior Class Play.

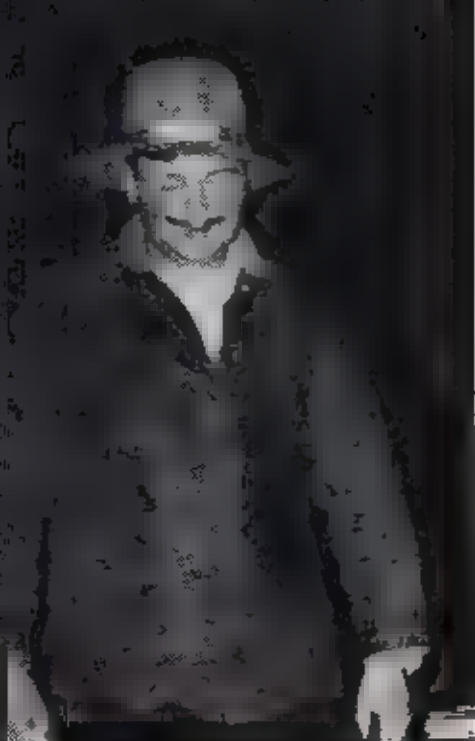

"What a Life" was a Henry Aldrich play which portrayed his ability to get into trouble.

To promote sales of tickets for the play the dramatics class held a ticket rally. We gave a matinee for the High School and one evening performance which was a success. After the play the class enjoyed an evening of fun together.

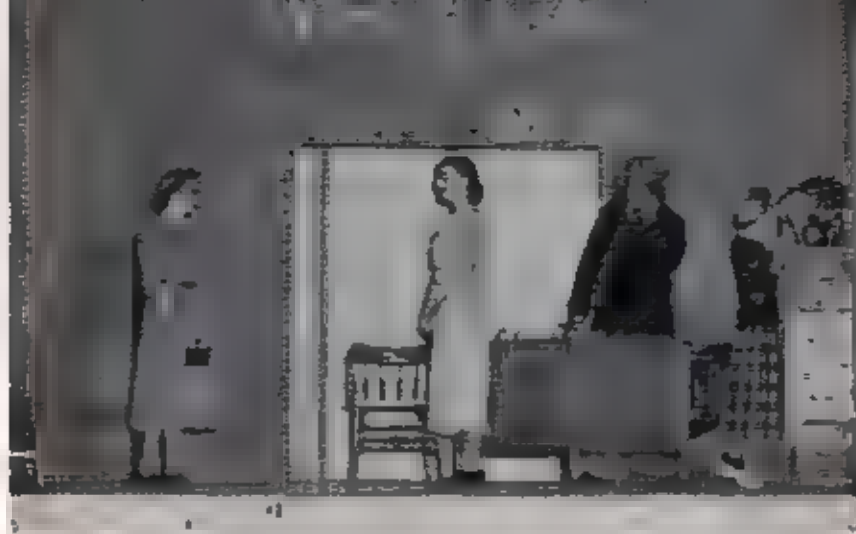

This year we have been a busy class but all in all we have had a lot of fun. We all wish we were going to return next year.

Thanks a lot for your guidance, Mr. Landers. You're tops!

There was a big job to be done this year with so many students and the ever increasing supply of books. The new girls soon learned the ropes under the constant and helpful guidance of Mrs. Carey. Their many duties were checking out magazines, stamping and shelving books and last, but not least, tracing overdue books. The girls met once a week with Mrs. Carey for class.

All work and no play makes for sad-faced librarians, so we managed to meet once a month for a party and some fun. At these parties two girls shared the honor of hostess. Mrs. Carey entertained the girls at Christmas with a potluck dinner. In May the Library Club had their annual dinner-theater party in Yakima.

Happy Birthday, Mrs. Carey!

F.H.A.'s activities for this year were making Glow candles for a Christmas sale, and finishing a child's quilt to go to a family along with a Christmas basket. We also had the biggest enrollment that the Highland chapter has ever had. Our Club consisted of thirty-six members. We sent two representatives to the state convention which was held in Seattle. We also attended two regional meetings at Ellensburg and Sunnyside. Our most exciting project this year was going to other schools in our area, to start F.H.A. chapters. They were Yakima, Naches and Selah.

After a period of inactiveness, the Highland Letterman's Club was reorganized under the guidance of Mr. Hansen. The main objective of this reorganization was to promote a higher standard of ethics for all athletes to follow. Elections were held and the following were elected to office: C. G. Robbins, President; Ted Rudd, Vice President; Larry Mortimer, Secretary-Treasurer. New officers will be elected at the start of the semester. The club is trying to be as active as possible in school functions and the following is a list of goals they will try to

obtain: Awarding of gold emblems to captain and inspirational award winner of each sport. Jackets for all members of the club who want them. Certain rules were set up for obtaining letters. Various basketball games will be filmed and the movies shown to all those interested. The club also considered forming relay which would include teams from all over the valley. Some things the club has accomplished, are raising sixty dollars for the March of Dimes, obtaining jackets for all members, and raising \$100 by selling refreshments at games.

The Tycoma Staff of 1955 chooses to honor our advisor, Miss Ruth Meabon, a graduate of Central Washington College, joined the Highland Faculty in 1952. She has taught classes in shorthand, and typing and has been Tycoma advisor for three years. We of the staff this year wish to express our pleasure of having worked under her supervision.

With her patient understanding of our problems, her sincere advice, and the generous giving of personal time, we have been able to meet picture schedules and printed copy deadlines which will assure us our receipt of the Tycoma. We the staff of 1955 would like to take this time to say "Thank you Miss Meabon."

Football

The 1954 football season, though very unsuccessful in terms of games won, may yet turn out to be a successful season in that we should profit from our mistakes. The boys played tough and smart defensive ball, but did not realize the importance of day in and day out drill on the details of offense. This was apparent in the fact that through most of our games we made more yardage than our opponents. We lost our games not through defensive weakness, but through offensive mistakes.

The wise profit by their errors. Here's to a really successful 1955.

Football "B" Squad

This year it was agreed that the B-squad football games would be played as two halves, the Freshmen playing one half and the B-squad composed of Sophomores and Juniors not yet ready for Varsity, playing the other half. The idea proved quite successful for Highland as the young Scotties got off to a fast start winning over Marquette by a 34 to 0 score, and all the games between were won by Highland including a forfeit by Marquette.

A final game played at Ellensburg was won by the Bulldogs 13 to 0. However, Ellensburg had no Freshmen, a determining factor in their win.

The Freshman squad's inspired ball playing was scored upon but twice all season, both times by Selah.

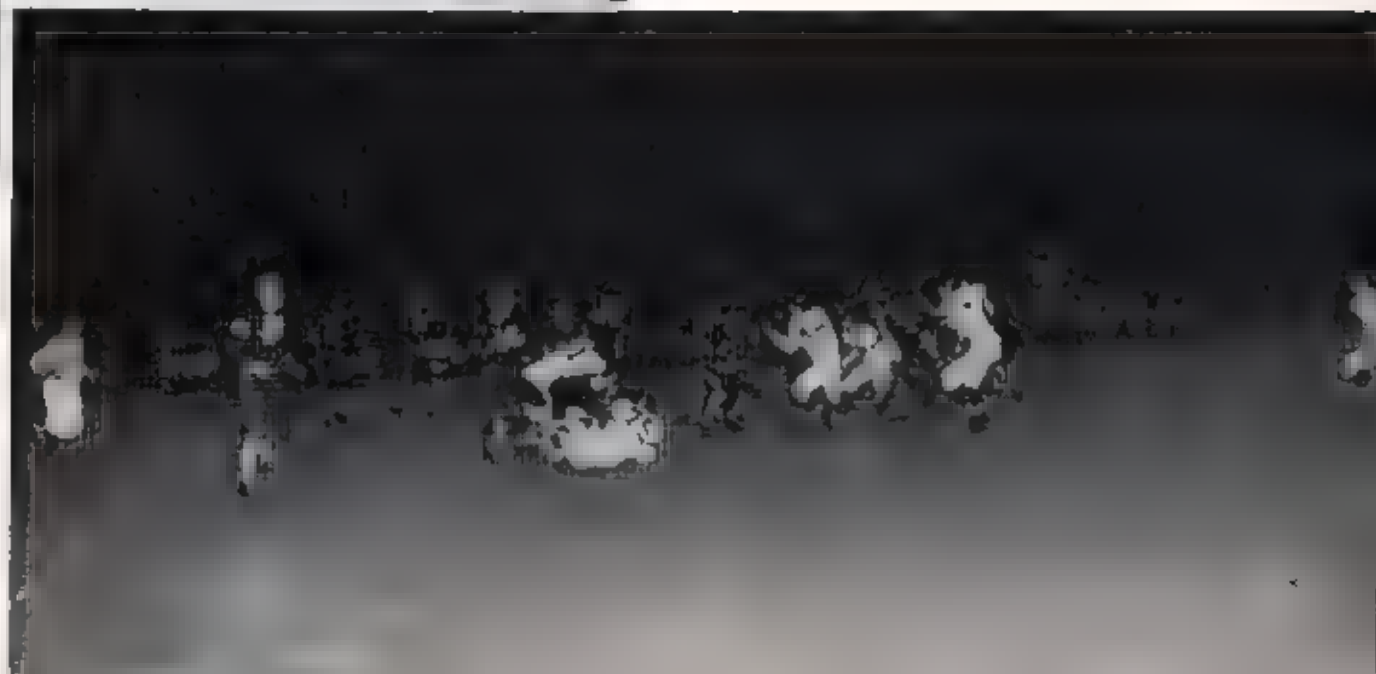

If West Valley doesn't claim too many of these spirited hopefuls, Highland's future may be on the upward trend.

Get it!

Dear Pam,

Best of luck to you and all your boyfriends. I guess we haven't done too much together this year or ~~to~~ else my mind is a complete blank. Like it is most of the time. We had a swell time at Camp last year even if the ride

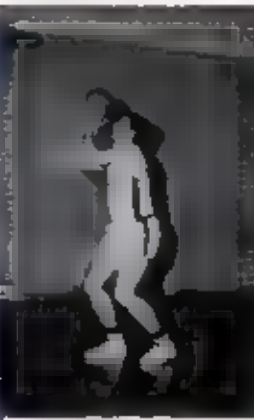

home wasn't too pleasant for you. Remember the night we went out to Gene and Jo's and then the night we went out with Keith and Wallace. Also the night we took a ride with Bob Keller and you were with "Pop". Remember all the fun we have had with "The Lubs".

The last three years. Roller skating parties, dances, shows, and games. We have really had a ball and I sure hope that next year we can have even more. That for Dr. Prom was a lot of work but it turned out real swell even if you didn't come. You should have cause there were two empty places at our table. We had loads of fun trying out for Songleader

even if we didn't get it. We know we were really best and maybe that's why we didn't get it. I'll never forget

all the fights you and he told me all about them and I had it to over for a while

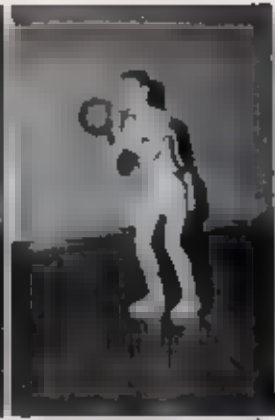

boy - some advice. Really. Think of the story and there too to figure something

"A" SQUAD BASKETBALL

Winning the Jamboree from Selah, Marquette and Naches for the third year in a row, Highland was started on a very successful season.

Playing hard and with the determination to win, the team fought its way to a tie for second place with Selah, with a 11-3 league record. Drawing third place by a flip, Highland represented the A League in third place in the District Tournament at Sunnyside. Highland defeated Kennewick 57-47 and won a close, hard battle over the highly favored Wapato Wolves 65-57.

At the time of this printing, with a 16 win and 5 loss record Highland had one game to go in the Tournament with Yakima. The winner of that game will along with Richland represent the two teams from the valley in the State Tournament in Seattle.

This year we will lose Seniors: Ed McLemore, Larry Mortimer, Paul Berndt, C. G. Robbins, Tom Hammermeister, and Marvin Seabrand. Much of the success of the team is accredited to these players and they will be missed greatly, but the rest of the squad will return along with reinforcements from the "B" squad.

"B" Squad Basketball

The "B" Squad experienced a moderately successful season with a record of 10 wins and 8 losses. After winning only 3 of the first 8 games; it had a strong finish by winning 7 out of its last ten games. Included in the season were two thrilling overtime contests. On both occasions the Scotty pups proved to be victorious. The first overtime game was 39-37 at Prosser while the latter was a last second 36-35 score over Marquette.

Outstanding players included juniors Carl Smith and Jerry Groenig; Sophomores Gary Williams, Duane Oberlander, Jim Robbins; Freshman Dick Mortimer and Ralph Valesquez.

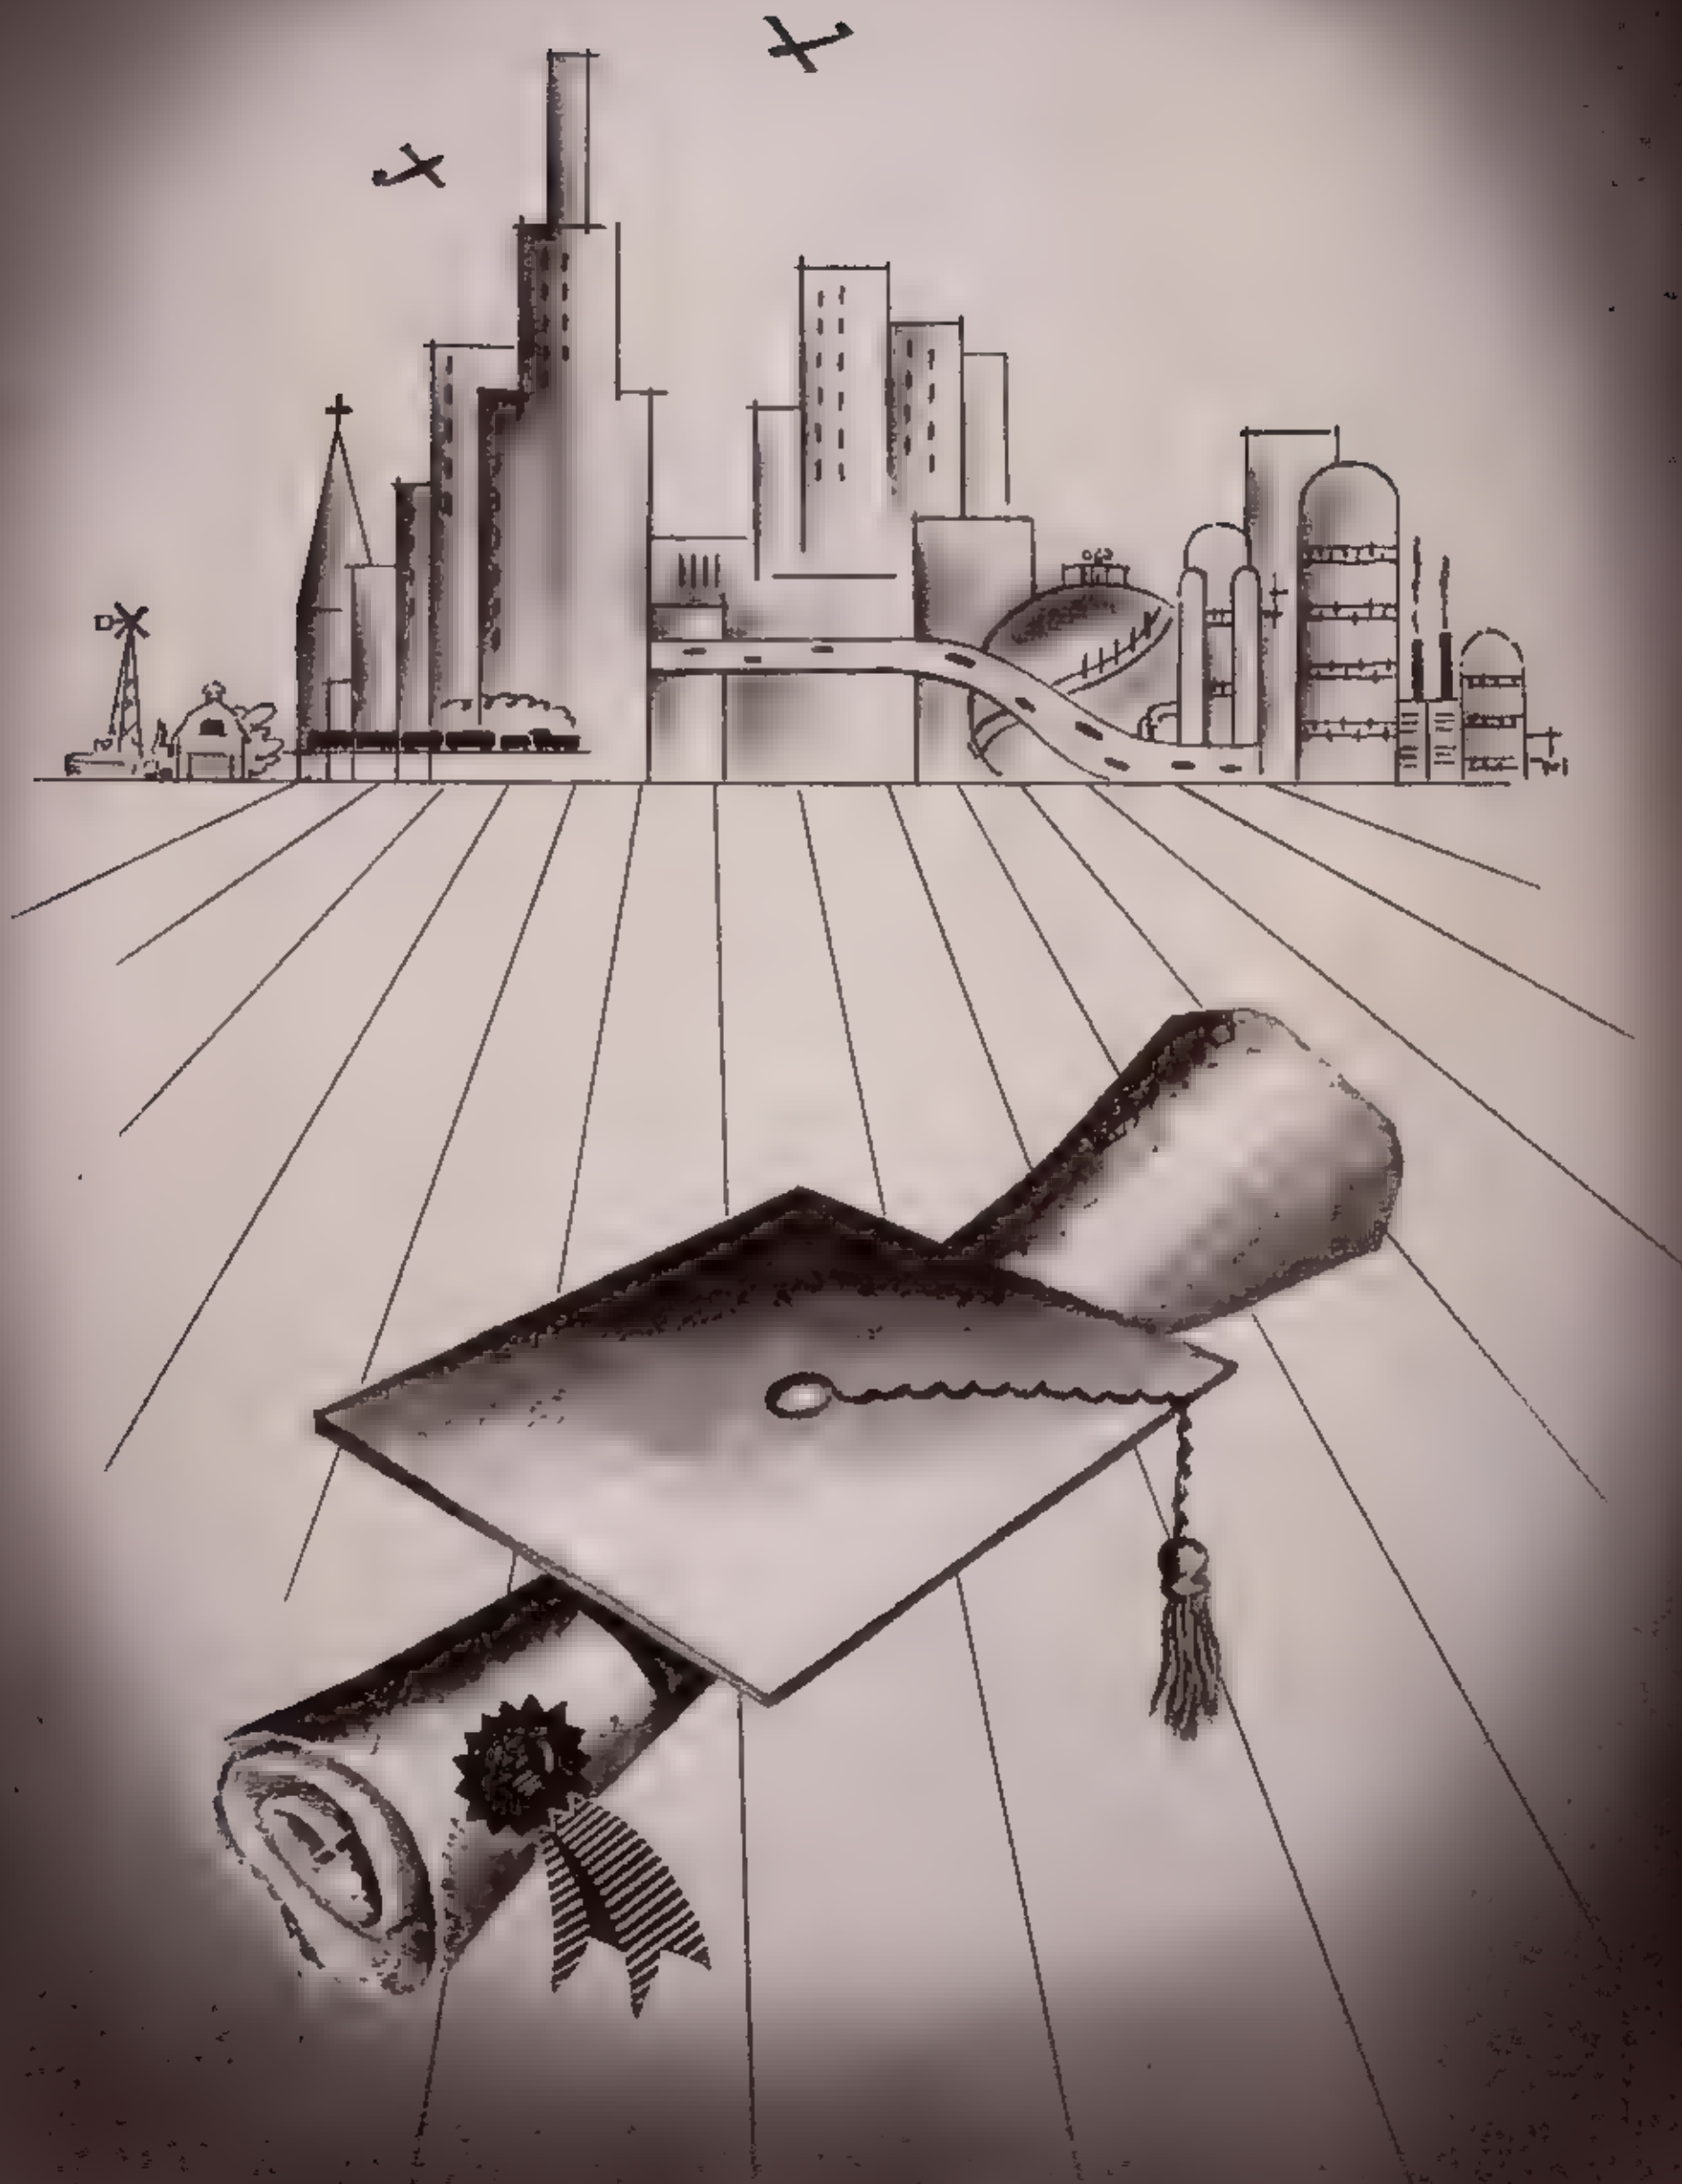

Included within the "B" squad was a freshman team that showed tremendous promise with an undefeated record in wins over Franklin Junior High, and Freshman teams of Selah, Marquette and Naches.

Basketball Tournament

ON TO STATE! For the first time in Highland's history these were the words that everyone spoke. Winding up near the top of the tournament at Sunnyside with a 54-51 win over Yakima, Highland along with Richland, had the honor of representing our district in the State tournament in Seattle.

In the final game with Yakima, Highland had to overcome a 14-point lead in the last quarter of play, to win a thrilling victory over the stunned Yakima Pirates. The next night we lost to Richland 73-57, thus making Highland the number two representative from the district.

In the tournament at Seattle, Highland played Bremerton in its first game. After out-playing and out-hustling Bremerton for three and one-half quarters, Bremerton began to catch up with the Scotties and defeated them 57-53 in an exciting last three minutes. Coming from behind in our second game with Walla Walla, Highland tied the game up at 57-57 with only three minutes remaining in the game. But there again Highland, who usually always came through in the last few minutes, lost out again and was defeated 72-57. This second loss eliminated Highland from the State Tournament in Seattle.

Larry Mortimer was chosen honorary captain for the year and inspirational award winner was C. G. Robbins, thus completing a very successful year for the Highland Scotties.

"Won't the wind every stop blowing!" This was a familiar and justifiable cry among the tennis team this spring. Although not too successful in the win column they were out there working and gaining the experience which comes through practice and competition with other teams.

The team had matches with Toppenish, Selah, Wapato, Ellensburg, and Yakima, and climaxed the season by participating in the sub-district tournament at Yakima.

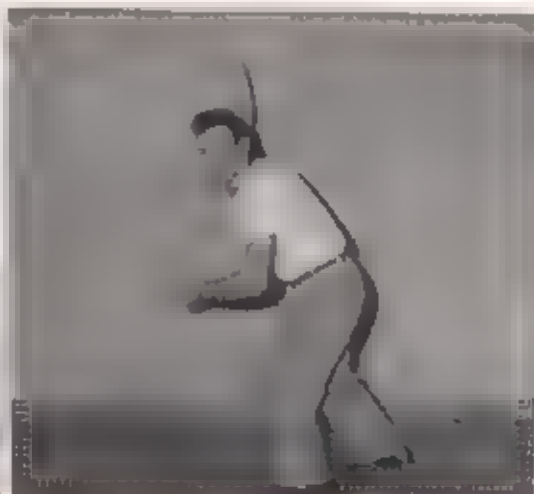

Graduation will take six members of the team: Ken Dueker, first singles; Jack Pemberton, second doubles; Jean Snipes, first singles and captain of the team; Melba Radmacher, second singles; Marlana Kroger and Barbara Beffa, first doubles.

Think...

Ten thousand words couldn't offer more sound advice. "Think," for consideration is intelligence applied to the problem. "Think" and your judgment will defeat worry, waste and want. Use the mind you have trained. Deliberate and your actions will produce useful results. Truly, thought is wealth, so "Think."
